Student/Parent Internet Agreement

Warning to Parents

The Mount Olive Robotics Team *cannot* formalize precise limits upon a student's access while on the Internet. Rather it is the student's responsibility to follow standards set by the teacher, school, and his or her family.

The Mount Olive Robotics Team cannot accept responsibility for objectionable materials which students access via the Internet.

Some services available on the Internet could be considered offensive. Students must take responsibility for their own actions in navigating the Internet. There are materials present on the Internet that many people find controversial, offensive or objectionable including but not limited to sexually explicit or pornographic material.

Responsibilities Of The Student As A Member Of
The World Wide Computer Community

- As members of the global community, students must respect the rights of others in both the local community and in the world wide computer community at large.
- Offensive, obscene, harassing, abusive, or inflammatory language, pictures, or materials and/or personal attacks are abuses and students who engage in such communications on the Internet will be subject to consequences as outlined below.
- Students have a responsibility to use appropriate language when using the Internet. Student use of profanity or obscenity on the Internet will result in disciplinary action.
- Students have the responsibility to follow copyright laws and rules regarding software, information and attributions of ownership in their exercise of Internet privileges.
- Students must recognize the privacy right of others and refrain from re-posting personal communications without the original author's prior consent. Failure to do so will result in disciplinary action.
- Students may use the Internet only for legal activities. A student who engages in illegal acts including but not limited to tampering with computer hardware, software, computer viruses. Deliberate attempts to degrade or disrupt the system performance by spreading computer viruses will result in disciplinary action.
- Students have the responsibility to display exemplary behavior when using the Internet (Face Book, Twitter, etc.) and must conduct themselves as representatives of both Mount Olive Robotics Team and the world wide computer community as well.

**Students found to be violating the rules while using the
Internet will face disciplinary action and will be dismissed from
the Mount Olive Robotics Team immediately.**
